The Madrid correspondent of the Times says there is very little news of importance from Spain and the Colonies. The proclamation of both Serrano and Prim have been issued. The Spanish Government says, in so many words, lay down your arms, and cease resistance to the Crown. If you will be as loyal as you are willing, if you desire independence, we don't say no. A Deserted Husband Seeks Sovereign Balm with Tyrannt Wife and Her Lover—An Incident Occurring in Which the Wife and a Child are Involved.

Special Despatch to The Chicago Tribune.

JACKSONVILLE, Ill., Sept. 28.

Last night about 11 o'clock a shooting affray took place on Court-House Square, in front of the office of Judge Young. Dr. Hall married Miss Mary Ann Hall, daughter of Mr. Hall, a well-to-do farmer of Morgan County, about two years ago. He was a very devoted husband, and the happiness of the couple seemed to be complete. Dr. Hall has been practicing medicine in Jacksonville, Ill., for the last year, and has established a lucrative practice. He has been very much devoted to his wife, and has lavished upon her many costly presents. Mrs. Hall, however, has not been satisfied with the affections of her husband, and has been in the habit of receiving the attentions of other gentlemen. Among those who have been favored with her attentions is Mr. Frank Hall, a brother of the Doctor. Mrs. Hall has been in the habit of visiting Mr. Hall's office, and has been seen there frequently by the citizens. Dr. Hall has been informed of the fact, and has remonstrated with his wife, but without effect. Yesterday he left the city on business, and during his absence Mrs. Hall left her home, and went to the office of Mr. Hall, where she remained for some time. Dr. Hall returned to the city last night, and on learning that his wife was at the office of Mr. Hall, he went there, and found her in company with Mr. Hall. He ordered her to leave the office, and she refused to do so. He then attempted to take her by force, when Mr. Hall drew a pistol and fired at the Doctor, the ball taking effect in the left breast, inflicting a severe wound. Dr. Hall then drew a pistol and fired at Mr. Hall, the ball taking effect in the left side
